Dear Dr. Goldberg,

The forthcoming book titled The Complete Whitewash is in fact a condensation of selections from my earlier books. I've not seen it, if it is out. I agreed for a young lawyer friend to do that and as of now I know nothing about it other than the title. I've forwarded your letter to him.

With regard to the Commission executive session with the iresponsible shrinks, I spoke to Jim Lesar last night. You have been in touch with him. He recommends that the copying be of an issue of the New Republic which he says reprinted all the available executive session transcripts. They can copy it for you at less cost that I can. We have a primitive and costly copier.

If you would like him to do that or prefer that they be copies in any other form, he'll do what you want.

Best wishes,

Harold
